Personalized Career Exploration
Through self-assessment and branding exercises, coupled with thorough review of occupational opportunities and requirements, you will gain greater awareness of your academic passions and strengths, career options and the college pathways to reach your goals.

Comprehensive Test Preparation
You will receive the preparation you need to achieve your personal best score on the SAT or ACT exam.

Expert Admission & Financial Aid Support
You will benefit from personalized guidance in determining the right university programs for your interests, gain confidence in your ability to compete for entry into elite universities and support navigating the admission and financial aid process that includes help evaluating financial aid packages based on what is best for you and your family.

Leadership Development
You will feel supported, connected and ready for success at a major university — and in your career and life beyond.

What students are saying ...

“I was able to learn about top-tier universities that I deserve to apply to ... the program gave me a newfound confidence in myself and my ability to go to those schools.”
BETSAYDA PUERTA,
Stanford University

“They give you a gateway into the mind of an admissions officer.”
ALY TANTAWY,
University of Chicago

Students apply for USC Bovard Scholars during their junior year in high school. Selected students receive one-on-one guidance — personalized to meet their individual needs. We offer the program at no cost to students or families.*

* USC will pay for transportation to and from campus for students coming from outside of Southern California.
